Rotherham victim: cops didn't care

A VICTIM of the Rotherham sex abuse scandal has said her case was not taken seriously after reporting it to South Yorkshire Police.

On Monday, seven Asian men were found guilty of child sex abuse in the largest trial so far following an abuse inquiry.

Sheffield Crown Court heard a girl was "passed around" and raped by 100 men by the time she was 16 years old.

One unnamed victim has said she expected police to investigate her case when she first reported it but they "never really did".

She said: "They seemed to take it seriously at first, and I was video interviewed, but then time passed and nothing happened.

"I can't describe how horrible it made me feel that nothing was done. The police could have done a better job."

Meg praised by Kiwi PM

NEW Zealand's prime minister has praised Duchess of Sussex Meghan Markle for her work promoting women's rights during her visit.

Jacinda Ardern, who had a baby in June and returned to work after six weeks, said: "I think it's wonderful to have a woman in her position to talk so strongly about issues of women's representation and empowerment.

"Having role models like herself, standing up and making statements around fairness and equality, I think is really powerful."

KATIE Price has staved off bankruptcy for another month – but could be made homeless at a court hearing in December.

The former glamour model (left) – who was once worth an estimated £45million – narrowly avoided being declared bankrupt in August, when she was given 12 weeks to come up with the money she owes to creditors.

Her lawyers came back to London's High Court yesterday for a fresh hearing over how she will clear up a £22,000 debt with the taxman.

Estimates over the Loose Women panellist's total debts have ranged from £250,000 to £500,000.

The case was again put off, with her legal team saying she has a meeting planned with tax officials for November 16.

It is thought she will attempt to be entered into an individual voluntary arrangement (IVA), a formal alternative for indebted

people hoping to avoid bankruptcy.

Katie, 40, fears she could be forced to sell her West Sussex mansion if a trustee is brought in to sell off her possessions.

Delay

She is unlikely to be kicked out on the streets before Christmas due to rules allowing

people living with children to appeal for a 12-month delay to losing their home to make other arrangements.

In recent months there have been reports that Katie, a keen horsewoman, had been trying to sell off her pink horsebox and a number of her animals.

Her £2million mansion, which is a former home of ex-Cabinet Office minister Francis Maude, boasts nine bedrooms, a two-bedroom annexe, 12 acres of land, a swimming pool, a tennis court and stables.

'Life' for drug dealer who beat son, 2, to death

A DRUG dealer who murdered his two-year-old son in a "savage and sustained attack" has been jailed for at least 24 years.

Raphael Kennedy, 31, waited more than an hour to dial 999 after inflicting 39 injuries on Dylan Tiffin-Brown.

He beat the toddler, who had five different drugs in his system when he died, in a fit of temper, Northampton Crown Court heard.

Kennedy (above) was given a life term after being found guilty of murder at his trial.

He had told the court he was "not the perfect parent" and admitted he made his living dealing crack cocaine and heroin.

He had been selling drugs in the lead-up to the fatal attack at his flat in Northampton.

When Dylan was taken to hospital, Kennedy initially told paramedics that he had "tripped and fell over".

Sentencing, Mrs Justice Sue Carr said: "Whatever triggered the assault, you lost your temper with him and inflicted a savage and sustained attack on him."

MADDIE COPS JOIN SEARCH FOR SUZY LAMPLUGH

MURDER VICTIM: Suzy's body has yet to be found

By COLIN HURST
news@sundaysport.co.uk

POLICE digging for the body of murdered estate agent Suzy Lamplugh in the former garden of the prime suspect's mother spent six months searching there 15 years ago.

Miss Lamplugh, 25, disappeared in 1986 after showing a 'Mr Kipper' around a house in Fulham, west London.

Cops believe convicted killer John Cannan is responsible for one of Britain's most infamous unsolved murders.

Cannan, who has been interviewed three times in jail, is currently serving 35 years for the murder of

Shirley Banks in 1987 – but Suzy's missing body means he has never faced trial.

Officers, including experts who helped in the search for Madeleine McCann in Portugal, are using specialist equipment to scan and dig up concrete at his mother Sheila's former home in Sutton Coldfield – but the

was sold to Phillip Carey, 52, who revealed officers were searching his garden from November 2003 to the spring of 2004 – but only concentrated on an area by the back door.

Cold case detectives returned a few months ago asking for access again and the search now centres on the garage at the rear of the garden amid claims Suzy's body may have been dumped in a car-inspection pit and filled with concrete.

Horrendous

Mr Carey, who works in marketing, said: "The police were looking at a corrugated iron shed at the back of the garden.

"They've pulled it down and I think they're going to start digging it up.

"If nothing is found, then we go on as normal. But if it goes the other way and they find her remains, then at least someone has got a final end to this horrendous story."

CAA warn over falling drones

FLIGHT safety experts have issued a warning after drones started falling from the skies.

The problem was caused by the tiny aircraft losing power during flights, according to the Civil Aviation Authority.

This occurs even though the battery appears to have charge remaining on the affected model, the DJI Matrice 200.

The CAA has asked pilots to check flights can be made safely.

While no reports of injuries have yet been received by the authority, it said the drones should not be flown above people "at any height until further notice".

Chinese firm DJI said in a statement that it was "thoroughly reviewing" reports of power issues with the model.

LABOUR BACK TORY TAX CUTS

SHADOW Chancellor John McDonnell has been slammed by his Labour party for backing Tory tax cuts announced in this week's Budget.

Philip Hammond announced changes to income tax from April, which he said will mean a cut for 32 million people.

The personal allowance, the minimum someone can earn before paying tax, will rise to £12,500 from £11,850. The higher

rate threshold, the income at which someone starts paying the 40% tax rate, will go up to £50,000 from £46,350.

When asked about Labour's stance on these changes, Mr McDonnell (left) said: "We wouldn't reverse that."

But he claimed the party would ensure the tax system is "fair" and would adopt a "balanced approach".

Mr McDonnell said:

"The fairest way to do it, if you're changing the allowances fine, that puts more money in some people's pockets and they spend in the economy and it increases demand.

"We'll increase income tax on the top 5%, the people who can afford it."

But Tottenham MP and ex-culture minister David Lammy said: "We should not be supporting tax cuts that disproportionately help the wealthy."

How Jamie might

Jamie reveals bizarre secret

By BECCA STUBBS becca@sundaysport.co.uk

NAKED chef Jamie Oliver confessed to CROSS-DRESSING with his best mate and TV co-star Jimmy Doherty.

The famous cook and the country's most famous pig farmer admitted to donning a frock and glamping up as WOMEN tons of times.

Jamie also recalled going commando underneath his girly ensemble during one raucous bash.

TV chef Jamie, 43, said: "We did go to a cross-dressing party. I went in my mum's Seventies luminous green outfit and stupidly wore no pants."

"I decided I was going home. I took all the filling out of my boobs and when a car would come, I would jump in the mud because I didn't want them to see me dressed as a woman."

Snog

His *Friday Night Feast* co-star Jimmy said: "We're quite comfortable being a bit camp sometimes. We've dressed up as women quite a lot!"

Despite their penchant for cross-dressing, Jamie insisted he's never planted a snog on his pal, 43.

He said: "We've never kissed. But if I was gay, I would smash that!"

May says Norway to EU deal

THERESA May has again rejected a Norway-style deal with the EU after Brexit.

The move comes after some Tories suggested a temporary "Norway for now" option to soften EU withdrawal.

Norway is a member of the European Economic Area and has full access to the single market in exchange for making financial contributions and accepting free movement of people.

Speaking during a visit to Oslo, Mrs May said following Norway's example would not bring the outcome people voted for in the EU referendum.

She said: "The existing relationship that Norway has with the EU is one that has elements that don't, wouldn't, deliver on that vote of the British people."

Norwegian Prime Minister Erna Solberg said some EEA members would find a temporary UK membership of the bloc "a little bit difficult".

Mrs May said that she wanted a "good" agreement with the EU that took in economic activity and security.

Swim body 'soz' for bikini advice

NATIONAL governing body Swim England removed an article from its website which suggested how women could look slimmer in the pool...after a busybody feminist complained.

The piece advised that women with a "jiggly belly" should avoid bikinis and said being pear-shaped has "often been the plague of women".

The article had been on the website since 2010, but was removed after prodnase Simone Webb – who is doing a PhD in so-called gender studies – spotted it and caused a song and dance on Twitter.

Faced with some minor online criticism, Swim England immediately apologised and ditched the article.

A spokesperson grovelled: "We apologise for any offence this old information may have caused."

Fury at Kim K's bald fanny snap!

FANNY'S NOT FUNNY...
Naked image outraged fans

REALITY TV star Kim Kardashian came under fire from FURIOUS fans after she shared a photo of a BALD FANNY on social media.

The 38-year-old has form for stripping off and flaunting her eye-popping curves, but the snap she uploaded on Sunday evening left social media users outraged.

One wrote 'what is wrong with you? who wants to see a bald vagina'.

While another penned 'how embarrassing for her children, I'm unfollowing'.

Busty mother-of-three Kim released the naked image on her Twitter account to promote her exclusive new beauty and fragrances brands.

However, plenty of fans weren't convinced the photo was of Kim, with one slamming the stunna by saying: "That body is way too natural to be Kim."

Another comment read: "Either this is a man who

SAUDIS IN SH*TSTORM OVER POO PARTY CLAIMS

Orgies leave hotel rooms 'covered in filth'

MURDER LINK: Bin Salman

UNDER-FIRE Saudi Arabia is facing a new shitstorm after its rich elite were accused of POOING all over five star hotel rooms.

Staff claim super-rich Saudis are taking part in wild sex parties and then leaving their rooms covered in human crap.

Workers in neighbouring Bahrain, which attracts Arabs because it allows the sale of booze, are among those to make the allegations.

The island nation has long

By **COLIN HURST**
news@sundaysport.co.uk

been a magnet for men from Saudi Arabia looking to escape the conservative kingdom.

A Middle East-based hotel group employee who works in Bahrain said sex parties involving men from the Saudi ruling class were common knowledge.

He said: "Various hotels have had to deal with awful scenes in their very best of rooms due to the sex parties which always seem to involve human faeces

being left on beds, glass tables and the floor.

"As Bahrain is seen as Saudi Arabia's weaker little cousin, it puts hotel managers and owners in a very difficult position when it comes to complaining about the practice."

Clean-up

The hotel worker said the wealthy Saudis are able to afford the clean-up costs, which can be as much as £200,000.

He added: "They always pay, that is not the problem, but the inconvenience is huge."

But many hotels have had

enough and are now claiming to be fully booked in order "to avoid the situation totally".

The situation is mirrored in London, claims a cleaner at one of the capital's hotels who has to deal with the mess.

"These are the best rooms in London, if not the country, and they are left covered in shit," the 28-year-old said.

Saudi Arabia is in the spotlight after journalist Jamal Khashoggi, who fled the country in 2017, was murdered at their embassy in Istanbul – allegedly on the orders of Crown Prince Mohammed bin Salman.

'Fk sex tape stardom,' says rocker Bon Jovi**

ROCK star Jon Bon Jovi has launched a scathing attack on Kim Kardashian, claiming she is only famous for making "a porno".

Jovi (above), 56, who's sold over 130 million albums worldwide, unleashed his wrath while speaking about his dislike for modern culture.

He raged: "I think it's horrific that we live in that world and I can tell you I've never given 60 seconds of my life, EVER, to one of those Housewives of Blah Blah and Kardashians."

"What's gonna be in your autobiography? I made a porno and guess what, I got famous'. F**k, sorry, I'll pass."

Kim's 2007 sex tape *Kim Kardashian: Superstar* features her and former boyfriend Ray J on the job. It is one of the best-selling videos of all time.

Although the sex tape scandal did thrust her into the public consciousness, Kim has turned that success into the level of fame that some only dream about.

BABES IN THE WOOD TRIAL SENSATION

DEFENCE LAWYER POINTS FINGER AT DEAD GIRL'S DAD

By COLIN HURST

news@sundaysport.co.uk

A LAWYER for a sex predator accused of murdering two girls aged nine has pointed the finger at one of their fathers, saying police spent "32 years building a case against the wrong man".

Former roofer Russell Bishop is on trial for the second time for the 1986 killings of Karen Hadaway and Nicola Fellows.

In a case known as the Babes in the Woods Murders the girls were sexually abused and strangled on the South Downs near Brighton in October of that year.

In an opening speech, Joel Bennathan QC cast suspicion on Barrie Fellows, Nicola's father, suggesting

he was "complicit" in sexual abuse.

He told jurors at the Old Bailey: "Only one person is on trial here sitting in the dock - Russell Bishop."

"But the law allows a defendant like him to point out facts, ask questions, to the jury that might suggest the possibility that another person may have carried out these awful attacks."

"We will ask questions of witnesses to show that when the girls went missing there was someone very close to them who has no alibi. That someone made comments after the killings that are far more incriminating than

anything Russell Bishop said.

"That someone is someone who may actually - unlike Mr Bishop - have been able to order Nicola Fellows to meet him in Wild Park."

"That someone has a guilty secret - that he has been complicit in the sexual abuse of Nicola Fellows, which shows an interest in paedophilic sex."

"In the end it might mean he could not let Nicola Fellows tell the world what has been happening. That person is her father, Barrie Fellows."

Mr Bennathan suggested the police had "spent 32 years building a case against

the wrong man".

The trial has heard how Nicola and Karen went missing while playing together in Wild Park after school.

Following a search by police and volunteers, the girls were found dead the next day in a wooded den.

The Court of Appeal had ordered a fresh trial in light of new DNA evidence after Bishop was cleared of the girls' murders in 1987.

Three years later, Bishop was convicted of the kidnap, indecent assault and attempted murder of a seven-year-old girl at Devil's Dyke, also on

the South Downs.

Bishop, now aged 52, has denied murder.

Karen's mother Michelle told jurors how she'd raised concerns in 1989 about Barrie Fellows' "strange" behaviour and unusual comments after the killings.

STRICTLY STACEY: I'LL DANCE ON SATURDAY

HOSPITAL: Stacey put pic on Twitter

STRICTLY *Come Dancing* star Stacey Dooley has assured fans she will dance this weekend after injuring her rib during rehearsals.

The documentary maker shared a picture of herself in a hospital bed on Instagram, with the caption: "Nothings broke! All the drugs and all the cuppas gonna hook us up!"

Her dance partner Kevin Clifton commented: "We got this partner x."

Last weekend, Stacey Dooley, 31, and Kevin Clifton, 35, wowed the *Strictly* judges with a *Doctor Who*-themed tango for the Halloween special.

And as they move closer to getting their hands on the Glitterball trophy, Stacey left her army of followers in a state of panic with many believing she had injured herself.

The presenter uploaded a photo to her Instagram account of a woman wearing a half torn cast across her right breast and arm.

Stacey captioned the cryptic picture: "Current sitch," alongside a series of emojis including a bandaged head and a distraught face.

But the latest message makes it clear she's not bust a bone.

Jorgie: I won't rule out return to Hollyoaks

BLONDE bombshell Jorgie Porter hinted that she could be set to RETURN to Channel 4 soap *Hollyoaks*.

Jorgie, 30, left her role as Theresa McQueen on the hit soap drama in 2016 and, while she's not planned a return just yet, she's certainly not ruling it out.

She said: "I'd never say never. To go back wouldn't be a bad thing."

"I'm just enjoying seeing new things, new people and new experiences."

"As much as I love *Hollyoaks*, it's kind of restricting in an acting situation."

"I love the fact I do get to do different things now."

Jorgie (above) added: "I had been there eight years, it was intense, and I just thought 'I don't know what more to sort of do there really'."

Since leaving *Hollyoaks*, Jorgie has starred in *Fame The Musical* and also appeared on reality show *Celebs Go Dating*.

Ex nurse coughs to 100 murders

A FORMER nurse accused of killing 100 patients at two hospitals more than a decade ago has told a court the charges against him are largely accurate.

Niels Hoegel, 41, is already serving a life sentence for murder.

His trial in the German city of Oldenburg began with a minute's silence for the patients.

Asked by the judge whether the charges against him are largely true, Hoegel replied yes.

The murder charges stem from Hoegel's time at a hospital in Oldenburg between 1999 and 2002 and at another hospital from 2003 to 2005. The alleged victims were aged between 34 and 96.

Hoegel was convicted in 2015 of two murders and two attempted murders. He said then that he intentionally brought about cardiac crises in some 90 patients as he enjoyed trying to resuscitate them.

NO FEAR: Tanya with Jodie in show

WE SPIDER BOOBS!

Hey... it IS bigger on the inside!

LICKING GOOD: Tanya in *Spotless*

THE latest episode of *Doctor Who* has been voted the SCARIEST EVER since the sci-fi franchise started - but here are the boobs that could have brought some relief.

Arachnids in the UK starred actress Tanya Fear as Dr Jade McIntyre alongside the first female Doctor, Jodie Whittaker.

Sheffield was invaded by giant spiders in the episode, which aired last Sunday -

By BECCA STUBBS
becca@sundaysport.co.uk

and viewers online voted it the one that made them fill their pants the most.

In a Twitter poll, where more than 5,000 fans gave their opinion, the scary spider-fest was named the most chilling ever.

Cheered

But the appearance of Tanya as Dr McIntyre most

certainly cheered up many viewers as the busty brunette spiced up the screens.

Tanya once starred in TV series *Spotless* where she played Claire Wiseman in the British crime comedy.

She let everything hang out too, as she was seen romping topless in the show and flaunted her norks in kinky 'oral sex' scenes.

However, she covered up her impressive knockers in BBC's *Doctor Who*, instead opting for a jumper and a coat to protect her pert pair.

FLAMING IDIOT!

Spider-killer burns down house after watching Beeb sci-fi show

A MAN who burned down his parents' house by using a blowtorch to kill spiders had been watching the latest *Doctor Who* episode, police say.

The BBC sci-fi drama featuring the Time Lady taking on mutant giant spiders in Sheffield has been voted one of the scariest ever.

And after watching the episode a

fan in Fresno, California, became freaked out when he saw a nest of black widows.

So he took a blowtorch to the creatures and set them on fire.

Critters

But as well as killing the eight-legged critters he accidentally started a blaze that destroyed his

mum and dad's property.

Local media TV station KFSN reported 29 firefighters were called to the house.

The son got out safely, but the home's attic and second story were severely damaged.

Fire crews were filmed sawing off parts of the roof and cleaning out the garage.

The local force tweeted afterwards: "Please don't use a blowtorch to kill spiders."

A source added: "As it stands, our understanding is that he had been watching *Doctor Who*."

"And he had the Jesusus scared out of him."

"We understand now that is why he overreacted somewhat."

Halloween star Jamie: I HATE horror movies!

ACTRESS Jamie Lee Curtis says she HATES horror movies – despite being the main star in the *Halloween* franchise.

Jamie, 59, starred in the original *Halloween* movie in 1978 as Laurie and recently revived her role in the latest version of the scary flick.

Her mum, Janet Leigh, was also a scream queen in Alfred Hitchcock's *Psycho* – but she revealed they both hate horror films.

Jamie (above) said: "I'm not a fan of the genre. It's ironic, my mother was in *Psycho*, I'm in *Halloween*."

"My mother didn't like scary movies and I don't like scary movies either."

Halloween is one of the most iconic horror franchises and the latest addition sees villain Michael Myers return to hunt down his old victim.

Playing grandmother Laurie in the new movie, Jamie says her secret to staying youthful are 'water, sleep and Nivea cream'.

Halloween is out in UK cinemas now.

TRANNNY GOSSIP DAD-IN-LAW'S VILE ANIMAL PORN STASH

TEXTS: Paul Manifold

By COLIN HURST

news@sundaysport.co.uk

AN OAP who bullied his ex son-in-law and tried to shame him for his 'sexual preferences' was caught with hundreds of photos of animal porn.

Paul Manifold, 72, tried to sabotage his victim's chances of being taken on as a coach at a sports club and bombarded him with texts, including one that read "I will inform your friends about your dirty little secret", claiming he'd been cross-dressing.

Police later searched Manifold's home in Coventry, West Mids, and discovered on his computer 117 pictures showing women having sex with animals.

The dad was arrested and admitted sending malicious communication and possessing extreme porn.

He was sentenced to six months in prison, suspended for 12 months, and made the

117 sick photos on his home computer

subject to a restraining order banning him from contacting the victim.

Warwick Crown Court heard the pensioner's hate campaign had lasted two years, from the point his daughter's marriage had ended.

Graeme Simpson, prosecuting, said that Manifold wrote on Facebook the victim "dresses in women's clothes and takes selfies

to post online".

Manifold also accused him of sending "photos of himself pleasuring himself in a field".

He claimed he sent the messages because he was concerned about his ex son-in-law coaching young boys at local cricket and rugby clubs.

During sentencing the judge, Sylvia de Bertodano, said the OAP "...never suggested [his victim] was doing anything illegal. It was just things he didn't like, because he doesn't like the idea of people having different sexual preferences."

The judge described it as "somewhat ironic" that when Manifold's computer was looked at, it showed hundreds of examples of "criminal sexual behaviour".

Manifold's defence, Daniel White, said his client had "expressed remorse".

£6.6m blow for jewel thief

A MEMBER of the 2015 Hatton Garden jewellery raid gang has lost a challenge against an order that he must pay back more than £6.6million.

Reader, one of the ringleaders of the notorious multimillion-pound heist, was jailed for six years and three months in March 2016 after pleading guilty to conspiracy to commit burglary.

Station hammer attack – two hurt

TWO men needed hospital treatment after a hammer attack at Stratford station in east London during the morning rush-hour.

British Transport Police officers were called in over an assault shortly before 6am yesterday.

A witness claimed on Twitter that one man was struck over the head with a hammer after being refused a cigarette.

Another described hearing screaming before police officers arrived.

In a statement, BTP said one victim suffered "a laceration to his head as well as a suspected fractured shoulder" during the attack, while another victim was being treated for "minor bruising".

A 26-year-old man from East Ham was arrested on suspicion of ABH, assault and possession of an offensive weapon.

Sex firm make telly babe offer

A TOP sex toy firm is offering a FREE vibrator to telly star Vanessa Feltz – after she said that she's NEVER used one.

Vanessa, 56, was outraged at supermarket Sainsbury's announcing plans to sell X-rated toys in 500 of their UK stores.

And in a furious debate, she sensationally revealed to having never used a marital aid to bring herself to satisfaction.

Vanessa left readers of *Closer* magazine stunned when she told them: "I've never actually used a sex toy. When I was at university, a friend opened her drawer and showed me a huge array of vibrators."

"But she warned me that a man would never match up and that I would always compare him unfavourably!"

"By the amount of toys she had, I took her to be an expert and so I vowed then and there never to try one, I didn't want my sex life with men ruined!"

However, sex toy retailer Lovehoney are now offering the bubbly blonde one of their best-selling Happy Rabbit G-Spot Vibrators to try out for free.

Their kinky toy, which normally costs £59.99, has been proven to give women an orgasm that lasts 17 per cent longer than if they just used their hands.

Orgasms

A spokesman for the company said: "Vanessa Feltz can break her sex toy virginity with our Happy Rabbit."

"It's been redesigned this year to give women like her more pleasure. Yank neuroscientist Dr Nicole Prause found it gave women orgasms 17

per cent longer than if they were masturbating with their hands.

"If Vanessa uses a Happy Rabbit she can expect her orgasm to last 23.3 seconds as opposed to the 19.9s women usually get with manual stimulation."

Busty babe Vanessa has been with toyboy Ben Ofoedu, 46, for 12 years but she might be tempted to try out Lovehoney's best-selling sex toy.

The spokesman for Lovehoney added: "To satisfy your urges the Happy Rabbit G-Spot Vibrator is available to buy online now at www.lovehoney.co.uk

Sue warning Netflix get Devil of a fright

AN unholy row is brewing between streaming giants Netflix and a bunch of DEVIL WORSHIPPERS!

The Satanic Temple claims Netflix's hit new show, *The Chilling Adventures of Sabrina*, stole its copyrighted monument design of Baphomet – a goat-like deity often associated with Satan – which it calls its 'central icon'.

Lucien Greaves, the co-founder of the Satanic Temple, confirmed on Twitter that he plans to take 'legal action' against Netflix for 'appropriating our copyrighted monument design to promote their asinine Satanic Paction'.

The Chilling Adventures of Sabrina – based on the Archie Comics – follows the story of teen Sabrina Spellman as she tries to balance life as half-human and half-witch.

HORNY Holly Gibbons says she had her wicked way with a college crush after tracking him down on Facebook.

The 29-year-old, from Brighton, was out with her girlfriends when she decided to take the plunge and message her former flame for a bonk.

Busty 32E Holly said: "I was out with the girls and talking about lads we used to fancy when we were all back in college."

"I remembered this guy I was mates with and secretly had a huge crush on."

"That night I went on Facebook and I found him. We started chatting and said we'd meet up."

"And I knew then I'd have to have him!"

"We met in a pub and he said he had always fancied the arse off me."

"After a lot of flirting we were so turned on we decided to get out of there."

"We pulled the car over and ended up bonking on the back seat."

"It was amazing!"

Book killer's unhappy ending

A SCIENTIST accused of attempted murder in Antarctica stabbed his colleague because "he was fed up with the man telling him the endings of books," it has been claimed.

Scientific engineer Sergey Savitsky, 55, became enraged and stabbed welder Oleg Beloguzov, 52.

The men previously spent four years at Russia's isolated Bellingshausen station King George Island, part of the South Shetland island group.

Russian investigators are probing a version of events in which both men became avid readers to pass the lonely hours in the remote facility.

FRENCH TO BAN 'ALLO 'ALLO 'ALLO!

By WENDY THOMAS
news@sundaysport.co.uk

FUN-HATING Frogs want to punish Britain for Brexit by BANNING the classic sitcom 'Allo 'Allo.

Surly Gauls say mimicry of their ludicrous accent should be outlawed – and even punishable with a spell in a filthy French jail.

Laetitia Avia, an MP in President Emmanuel Macron's ruling party En Marche, said she was proposing a bill that would classify such mockery with other forms of prohibited discrimination, such as sex or race.

She acted after a journalist from Toulouse, southwest France, asked Jean-Luc Melenchon about an anti-corruption investigation of his hard-left political party.

Yokel

Former presidential candidate Melenchon mimicked the journo's "yokel" accent and told her she was "talking nonsense" before saying: "Has anyone got a question in more or less comprehensible French?"

The law Avia proposes would ban discrimination based on pronunciation, whether standardised or from a specific region or from one of the countries of origin of the many people of African descent in France.

That would mean

Touchy Frogs move to outlaw mocking accents

TRASH TALK: TV show bothers MP (right)

watching 'Allo 'Allo – the gentle British sitcom led by the late Gordon Kaye which routinely took the piss out of French and German accents – could lead to viewers being jailed.

Avia asked on Twitter: "Do you speak poorer

French if you have an accent? Do people have to endure humiliation if their pronunciation is not of the standardised kind?"

She said she was proposing the legislation alongside other members of the ruling party.

Aldi knifeman gets 18 years

A PSYCHO who chased a supermarket worker round a busy Aldi store while wielding a knife has been banged up.

Keith Palfreman, 40, drew the weapon after he confronted staff and was asked to leave the store in Clacton-on-Sea, Essex.

A worker called for assistance over the store's PA system and used a shopping basket for protection as Palfreman began chasing another employee around the shop while customers ran off.

He fled the scene on June 20 but was found and arrested.

Detective Sergeant Daniel Jeffries, of Clacton CID, said: "The store was full of customers, including families with young children and babies."

At Chelmsford Crown Court Palfreman admitted possession of a knife and was jailed for 18 months.

FILM PHWOAR!

By **WENDY THOMAS**
news@sundaysport.co.uk

ONCE upon a time, when lost children roamed the streets in rags, there was no such thing as entertaining television.

Screens were black and white. Everyone on them was posh. And the nearest you got to anything saucy was Anthea Turner in velvet knee-length boots on *Blue Peter*.

But then along came Channel 4... and a nation was transformed.

First they came up with the delightfully mucky "red triangle" zone, where they'd slap said red triangle in the corner after 10pm as a signal to remind us forlorn watchers that some unruly German lady bush was about to confront us.

Then they ditched that and came up with Film4, an out and out muckfest of a dedicated films-only channel – who made their own flicks and played earlier Channel 4 films – that offered more than just a nod to connoisseurs of taut and sleek womanly nakedness.

What was to follow was two decades of sheer unflinching cinematic grumble on a channel never afraid to strip first and worry later.

The venerable BBC was famously set up by Lord Reith with the purpose to

"inform, educate and entertain".

But not so Film4.

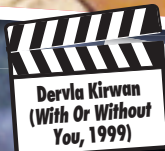

It was always Film Phwoar from day one, and today we pay it a humble tribute...

Horror as perv bonks neighbour's pet pussy

PHOTO posed by cat model

A HORRIFIED woman caught her neighbour SHAGGING her pet CAT.

The moggy's owner went outside to investigate after she heard her beloved pet's howling and screaming – then phoned the police after seeing her male neighbour bonking the pussy.

The naked man was holding her beloved cat by its rear legs and penetrating the small furry pet.

Police in Verulam, 17 miles north of Durban in South Africa, rushed to the scene to confront the man.

He was arrested after being caught in the process of getting dressed, with his pants 'covered in cat hair.'

Concerns

Reaction Unit South Africa spokesman Prem Balram said: "The man was removed from the property after the neighbours voiced their concerns for the safety of the children living in the vicinity."

However, the perv's sex with the cat isn't

By WENDY THOMAS

the only time he's got into trouble over our four-legged friends, as he's previously been caught shagging a dog and other cats.

Balram revealed: "According to residents, the man had been previously caught red-handed having sex with a dog and other cats."

"The matter was not reported at that time after the suspect's girlfriend had pleaded for his forgiveness."

Screw 'smuggled Maccy Ds'

A PRISON guard has been nicked for smuggling McDonald's hamburgers into jail for cons.

Gary West Alford, a 23-year-old screw, was arrested along with his wife and alleged accomplice Shantica Anastacia Alford, 31.

Prosecutors say an inmate paid Shantica Alford £400 through a smartphone app in exchange for deliveries of McDonald's Quarter Pounder hamburgers and chicken wings.

Alford is facing 14 charges of unlawful compensation and introducing contraband into a county detention facility, while his wife is facing seven counts.

Police set up a sting operation to catch Alford in the act after an inmate of the Metro West Detention Center in Miami gave them a tip-off.

He and his wife were bailed but are both due to appear in court on November 26.

DELIGHTFUL Dani Maye whipped out her sensational norks and spilled the saucy details about her homemade SEX TAPE.

Dani, 27, from Kingston-upon-Thames, says she often watches her DIY porno back and gives herself a helping hand with her sex toys.

The 32E beauty said: "Me and an ex filmed ourselves having sex once – and that was REALLY good!"

"I think because we knew it

was being filmed, we both upped our game. It was incredibly passionate and very imaginative.

"That's one night I often think about when I'm horny and have my Rampant Rabbit close by."

"I've got a big vibrator called the Hitachi Magic Wand too."

"It's supposed to be a muscle massager – but it has far better uses. Every girl should have one!"

RUMPY
HUMPY!Mayor offers
speed bumps in
return for SEX

WATCHDOGS are to probe a claim that a sex-mad mayor told a woman she could have speed bumps on her road...if she had sex with him!

A Commission on Ethics said it has found probable cause that David Stewart violated laws in the so-called "humps for humps" case.

An official statement said Stewart used or attempted to use his position to secure a benefit for himself.

The finding means he can be hauled before a judge to answer the allegations.

Resign

Stewart - mayor of Lantana, Florida, since 2000 - has the option to settle the case or have a hearing before a judge.

If he opts for the hearing and loses he could face removal from office.

Stewart has denied the allegations, telling a commission investigator: "I think someone is trying to encourage her to do it."

"I don't think that this was her idea."

The resident making the accusation, Catherine Padilla, is calling for him to resign.

DENIAL: Mayor Stewart, and (below) Padilla

By COLIN HURST

news@sundaysport.co.uk

She said: "The mayor should be ashamed for what he did. I think it's time he steps down. He needs to be accountable for his actions and he needs to do the right thing and step down."

The speed bumps did get to be installed in Ms Padilla's street.

Selfie plunge kills tourists

A COUPLE who fell to their deaths from a popular vantage point at Yosemite National Park in the US were taking a selfie, the man's brother revealed.

Park rangers recovered the bodies of Vishnu Viswanath, 29, and 30-year-old Meenakshi Moorthy from 800ft below Taft Point, where visitors can walk to the edge of a granite ledge that has no railing.

Mr Viswanath's brother, Jishnu, said the Indian couple had set up their tripod near the ledge.

Park officials are now investigating the deaths and a probe is likely to take several days.

**Stunnas celebrate
Halloween by
whipping out
their pumpkins**

TEAT!

PLENTY of stunning girls use Halloween as an excuse to wear as LITTLE as possible – but these babes have gone even FURTHER.

From a topless witch to a horny pirate, a bevy of beauties from across the world have opted for a TEAT flash rather than a nasty trick.

Loads of hotties went completely starkers for their Halloween horror fest but rather than scare folk, they gave EVERYONE a saucy treat.

Thong

One babe hid her modesty with a massive pumpkin while a sexy devil and saucy vampire also bared their impressive boobs.

And lots of sexy witches put a spell on us by whipping out their knockers.

From teeny tiny thongs to flashing fannies and parading their knockers, here's the hottest Halloween costumes we've spotted...

Dad & son dress as Nazis for Halloween prank

SOUR KRAUT: Goldbach and son's Nazi-ty shocker

A DAD says he "regrets" dressing his son and himself in NAZI costumes during a Halloween bash.

A picture of Bryant Goldbach and his son was posted online – with Bryant dressed as a Nazi soldier and his son as controversial German leader Adolf Hitler.

Goldbach says he did it for historical purposes but admits he didn't think his plan through.

Obscenities

"Anyone who knows us knows that we love history and often dress the part of historical figures," he wrote on social media.

Goldbach, from Owensboro, Kentucky, claims he received snide remarks and his son was

By WENDY THOMAS

threatened for wearing the 'poor taste' costume at the event.

"Tonight grown adults threatened a child over his costume," Goldbach posted.

"Threatened to rip his outfit off of him, screaming obscenities, scaring a small child."

Goldbach says he didn't realise it would stir as much controversy

as it had and apologised for his actions.

He said: "I think it was in bad taste for me to let my child wear that, probably for me to wear that."

"It was a bad decision on my part."

Commenter Shelby Worden said: "With all the hate in the world, it's bringing out more hate from the past."

"It's showing things that shouldn't be, not necessarily brought up, but romanticised."

Gun trap OAP blasts himself

AN OAP accidentally shot himself with a gun he had rigged up for protection at his own back door.

Edwin Smith, 68, had a shotgun facing his back door when he went outside to feed some of the local squirrels.

But when he opened the door to let himself back in the gun went off and hit his right arm.

Officers from Cleveland County Sheriff's Office, North Carolina, did not immediately know if the contraption malfunctioned or if he forgot the weapon was rigged to fire.

Captain Jon Wright said: "I've never seen anything quite like this."

The wooded area where the shotgun incident happened is littered with no trespassing signs – including one warning "crackheads, meth heads, drug dealers and illegal aliens" to stay away.

THE WORLD FAMOUS AGONY Page

Dear Bexi,

I'VE had my girlfriend in every hole and she loves talking dirty every time I f**k her.

A couple of weeks ago she told me that she had a special present lined up for my 30th birthday – a threesome with her and her fit mate from the place where she works.

They're both 25 and while I fancy my girlfriend, her mate is a right cracker. She's blonde with a perfect arse and big tits.

Come the night, they started to suck me off but my bird's mate looked so horny I couldn't wait to bone her.

My girl was licking my balls as I shagged her pal and I have to admit I was enjoying every minute of her fantastic body as I pounded away for what seemed an age.

But the next day my girlfriend went mad at me because I ended up shagging her mate four times and her only once.

What should I do?

TC, Leeds

Bexi says...

ASK your girlfriend if she's got any more great ideas.

Dear Bexi,

MY girlfriend is obsessed with the Batman films and has bought me a Batsuit to wear when I'm shagging her.

I'm short and skinny, so I look ridiculous in it, but I am prepared to look stupid if it keeps her happy.

One day she said she wanted me to put the Batsuit on, pretend to "rescue" her in an alley and then shag her.

When we got to the alley it was dark, so I started to give her one. Unfortunately, a few people started to leave a nearby pub and their car headlights revealed what I was up to.

Loads of my mates saw me, so my life is now a misery.

What can I do?

SH, Birmingham

Bexi says...

MAKE sure you wear a mask as well next time so nobody will recognise you.

Dear Bexi,

A BLONDE stunner at work recently asked me to pick her up some kitchen worktops.

I told her I would meet her at her house in the lunch hour.

As I was unloading the last of the worktops in her garage I heard the door go down, then I felt her push me against the wall.

She thrust her hands down my pants and pulled out my throbbing cock, which she took greedily in her hot mouth.

I could feel myself coming, so I ripped off her skirt and bent her over the worktop before sliding my dick into her moist pussy.

I gave her a lift back to work and she invited me round in the evening. I asked about her boyfriend and she told me that he wanted to see her getting f**ked by another man.

Do you think I should go for it?

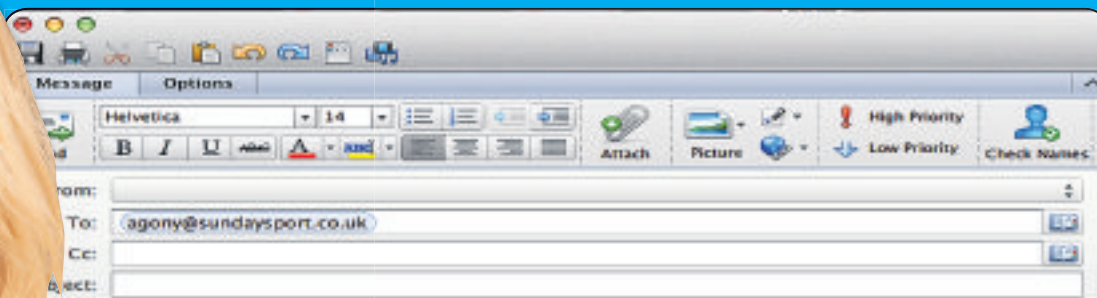

DS, Sussex

Bexi says...

YES...as long as everyone is happy!

AGONY IS BROUGHT TO YOU IN ASSOCIATION

WELCOME to the World famous Sport Agony page! No other newspaper's agony aunts can offer the level of advice – or experience – than our own Agony Angels! This week BEXI WILLIAMS has been reading through your letters. And here's her advice for you...

Well-hung home help took care of my wife!

Dear Bexi,

I'M a happily married man with three lovely kids and I've known my wife since we were at college.

Recently she's been struggling with a bad back and we've had to spend a bit more of my wage – I've done OK in the motor trade – getting in some sort of home help.

We're an up-to-date couple and we've read about "nude" cleaning and housework services.

And we often joked about having a woman in a couple of

days a week, for me to ogle, and a bloke for her to do likewise.

For months it stayed a private joke between the two of us.

When my wife said she'd arranged for a new home help, I always imagined having a really fit nude woman parading about the house – bending over doing the vacuuming, dishes and toilets.

With me getting up for early work starts and also doing overtime, which meant me getting home late, it was a few weeks before I met the cleaner.

Fiddling

And what a shock I got. The missus had got a youngish student LAD helping her out at home.

She said he was studying to be a child carer and would be able to help us out with our own kids.

But the next day when I sneaked home at mid-day he was there, starkers, doing the chores.

In comes my wife and starts fiddling

with his big dick. Then they're at it on the living room floor.

Her back suddenly seemed a lot better as he rammed her hard and fast until they orgasmed.

After that he got her on her back and started oiling her body and massaging her all over.

I slipped away feeling a bit confused and came back the next day to watch a repeat performance.

This time I must admit I found myself getting really aroused and I even had a quick hand-shandy while he had his head between her legs.

I should be angry, but sex is suddenly so much better with my wife.

And now I'm very reluctant to say what I've seen.

What should I do?

GS, Suffolk

Bexi says...

SACK the lad and buy some oils.

Randy students were stars in the bedroom

Dear Bexi,

I'M an amateur astronomer and I love looking at the stars through my expensive telescope.

That probably explains why I don't have a regular girlfriend, but I was out on the town recently when I went into a pub popular with students and got chatting to a couple of 21-year-old blondes at the bar.

They are studying English, so I invited them back to my place and started to show them my collection of books about space.

They didn't seem too interested and one of them gave me a shock by saying: "Stuff the books, we want to shag you."

With that they stripped off and I led them eagerly to the bedroom. I lay back on the bed as they took it in turns to suck my rock-hard cock.

Horny

Then they told me to wank myself as they put on an amazing lesbo show, fingering and licking each other to orgasm.

After that I got into one of them doggy-style as she fingered her mate up the arse.

Since then they have introduced me to some of their horny pals and next week eight of them are coming to my flat for an all-out orgy.

I'm thinking of making a vid. What do you think?

TF, east London

Bexi says...

LOOKS like you may have a new career in porn movies.

Dear Bexi,

I AM a 20-year-old student with a lovely pair of big knockers.

I recently went back to my parents to look after their place while they were on holiday.

They have a big house with a long drive, so I can see people approaching.

I positioned myself naked at a window in front of a mirror brushing my hair.

Out of the corner of my eye I saw the postman stop, unzip his trousers and – only partly hidden by a bush – start wanking.

I ran my hands up and down my body and the postman increased the beat.

Then I deliberately dropped my brush. With my head at knee level, I looked between my open legs to see the postman's face at the window.

I picked up the brush and pushed the handle into my fanny before sliding it slowly in and out.

I could feel my orgasm building and it wasn't long before I shouted out as I climaxed.

At the same time the postie ejaculated over the window.

Am I strange?

CS, Bath

Bexi says...

YES... but the postman won't be complaining.

...a bonk ...iting!

By **BECCA STUBBS**
becca@sundaysport.co.uk

SHAGGING an EX might not be such a bad thing after all, as new research proves a quick fumble doesn't hinder you moving on.

According to two new studies published in scientific journal Archives of Sexual Behaviour, bonking a former lover won't stop you getting past the split, even if you're in a bad place about the break-up.

Physical

The first study conducted by boffins at Wayne State University, in Detroit, USA, the Western University in London, Canada, and the University of Toronto Mississauga, quizzed people fresh out of a relationship.

They had all recently been dumped and were asked to complete a survey about physical contact with their ex.

It also asked them how attached they felt to them, and how they felt emotionally at the end of the day.

The second study, conducted by the same researchers, had 372 people explain if they'd had sex with their exes, or at least if they had attempted to, and if they still felt emotionally tied to them.

Both studies found that sleeping with your ex definitely does not

cause more heartache, even if you hook up with them more than once, as did most of the people in the studies.

In fact, those who said they felt most emotionally tied to their ex-lovers sought a rampant romp the most.

Positive

It was discovered that having sex with an ex didn't make heartbroken individuals feel any worse about the break-up.

Instead, it made them feel more positive about it and helped them to move on from their ex-partner.

Stephanie Spielmann of Wayne State University said: "This suggests that societal handwringing regarding trying to have sex with an ex may not be warranted

"The fact that sex with an ex is found to be most eagerly pursued by those having difficulty moving on suggests we should perhaps instead more critically evaluate motivations in pursuing sex with an ex."

We asked three *Sport* stunnas whether they'd ever gone back to bonk a former lover...

Mandy Smith says...

NO way! My ex cheated on me, so to get over him, I shagged his flatmate. His mate had a massive cock so I was screaming the house down in pleasure, my ex definitely heard us at it!

Sam Saint says...

I'D never go back to shag an ex. My motto is, to get over a man get under another one!

Linsey Marie says...

I STILL shag my ex on a regular basis. We didn't break-up on bad terms, we just weren't getting on. The sex was amazing, though, so neither of us wanted to throw that part away!

WHEN it comes to bonking in the bedroom, THREE is the magic number for hottie Ava Dalush.

The gorgeous pin-up and X-rated porn star confessed she has had loads of threesomes and can't get enough of them.

The 28-year-old dark-haired beauty revealed she has had

naughty fun with a number of people.

And she's had every threesome imaginable – with two hunky guys, two gorgeous women and the best of both worlds with a guy and girl.

The stunna, from Camden, north London, said no experience is the same and her ménage-a-trois sessions

have her fantasising about an even-more-some!

She said: "They're all different experiences because you have to do different positions, but they're all great."

Hot

"Being with two guys at once means you're the centre of attention – which I love – and they're really keen to do everything to you."

"Once I had a threesome

with two guys and I had one of them doing me doggy style while I was giving the other guy a blowjob.

"It was really hot because they were both really into it. I'd love to do that again."

Ava added: "If I had to choose a favourite type of threesome, I don't think I could."

"In fact, I'd rather get two guys, and two girls, and turn it into a fivesome!"

DERBY UP FOR CUP LAMPING

FRANK Lampard returns to Stamford Bridge this evening where he is sure to get a great reception from the Blues' supporters as befits the latest homecoming of one of the club's greatest players.

That said I don't expect to see Lampard's Derby County side take anything from the League Cup last 16 clash such is the quality of this current Chelsea squad who showed again at Turf Moor on Sunday that they are genuine title contenders.

Ahead of last night's ties Chelsea were 4/1 with BetVictor to lift the trophy behind holders Manchester City (5/2) who are not in action until Thursday evening when they entertain hapless Fulham.

Chelsea are 1/4 to win the tie in 90 minutes with the Rams 10/1 with BetVictor and the draw/penalties at 4/1. Olivier Giroud is likely to start as central striker and the World Cup winner is 7/2 to open the scoring and 10/11 to find the back of the net during the 90 minutes with BetVictor.

The Rams have picked up four points from their trips to the Hawthorns and the Riverside in the last week and they sit sixth in the Championship table. Promotion (3/1 with BetVictor) is the Rams' primary objective but they are sure to give a good account of themselves.

Derby beat Man United in the last round. Only one side in the Premier League era have beaten United and Chelsea in the League Cup in the same season - Sunderland in 2013-14 and they reached the final.

Struggling

Spurs are back in action tonight just 48 hours after their Wembley clash with Man City when they make the short journey to the London Stadium.

I expect Mauricio Pochettino's side to gain revenge for last season when the Hammers came from two-down to win 3-2 at Wembley at the corresponding stage of the competition. Spurs are likely to give Dele Alli and Christian Eriksen valuable playing time after their cameos against City on Monday night and I was very impressed - for the first time - with Harry Winks when he came on in the second half.

West Ham defended well in a game that was largely an irrelevance on Saturday before the tragedy at the King Power Stadium, but they are struggling for goals. The Irons are 17/10 to win the tie with Spurs marginal favourites at 8/5 and the draw at 5/2 with BetVictor.

City were narrow but comfortable 1-0 winners at Wembley on Monday night and they are an extraordinary 1/14 to beat Fulham tomorrow night at the Etihad even though Pep Guardiola will shuffle his pack with the Cottagers 28/1 and the draw at 10/1.

City are 2/5 to retain their PL title after their Wembley success with Liverpool 5/2 and Chelsea 14s with BetVictor. Chelsea are 4/1 in BetVictor's market without City and that looks too big as there has been little between Chelsea and Liverpool (4/11) so far this season with the Blues winning at Anfield in the League Cup and conceding a late but deserved equaliser to the Reds at the Bridge in the PL.

Wilson up for another stunning Ram raid

YOUNG STRIKER READY TO BANG IN ANOTHER WORLDIE

DERBY hitman **Harry Wilson** believes the Rams have what it takes to beat Chelsea.

Blues legend Frank Lampard has made a flying start to life as a manager with the Championship side.

And he heads back to Stamford Bridge hoping to cause another big upset.

The Rams have already knocked Manchester United out of the competition.

And Wales forward Wilson - who is on loan from Liverpool - scored a crucial goal on the night.

He is now looking to repeat the feat against the Blues.

Wilson said: "It was almost

By **JOHN ANTHONY**

like it is made for him, isn't it?"

"I'm sure he'll enjoy going back to a club where he had such a successful career.

"But we'll be going there full of confidence and will play our football looking to get a result."

"Winning at Old Trafford gave us a lot of confidence, and we're going to Stamford Bridge to get a similar result."

Lampard looks to have a bright future as a manager with the 40-year-old having steered Derby into the play-off places in the Championship. Wilson has been

impressed with the way Lampard goes about his business.

He said: "He's been great with me."

"I spoke to him on the phone before I went there, and the way he spoke and what he told me about how he wanted his team to play made me realise it was the right club for me."

"Since I've been there I've learned a lot and his coaches help me too."

"The way we've played in the last month or so has shown how we've progressed as a team."

Wilson is making a name for himself as a scorer of spectacular goals.

His strike against Man-

chester United came from 30 yards out and he scored another screamer for Wales in the Nations League against Ireland.

The youngster is still highly rated at Anfield and Jurgen Klopp has told him he'll be a part of his squads in the future.

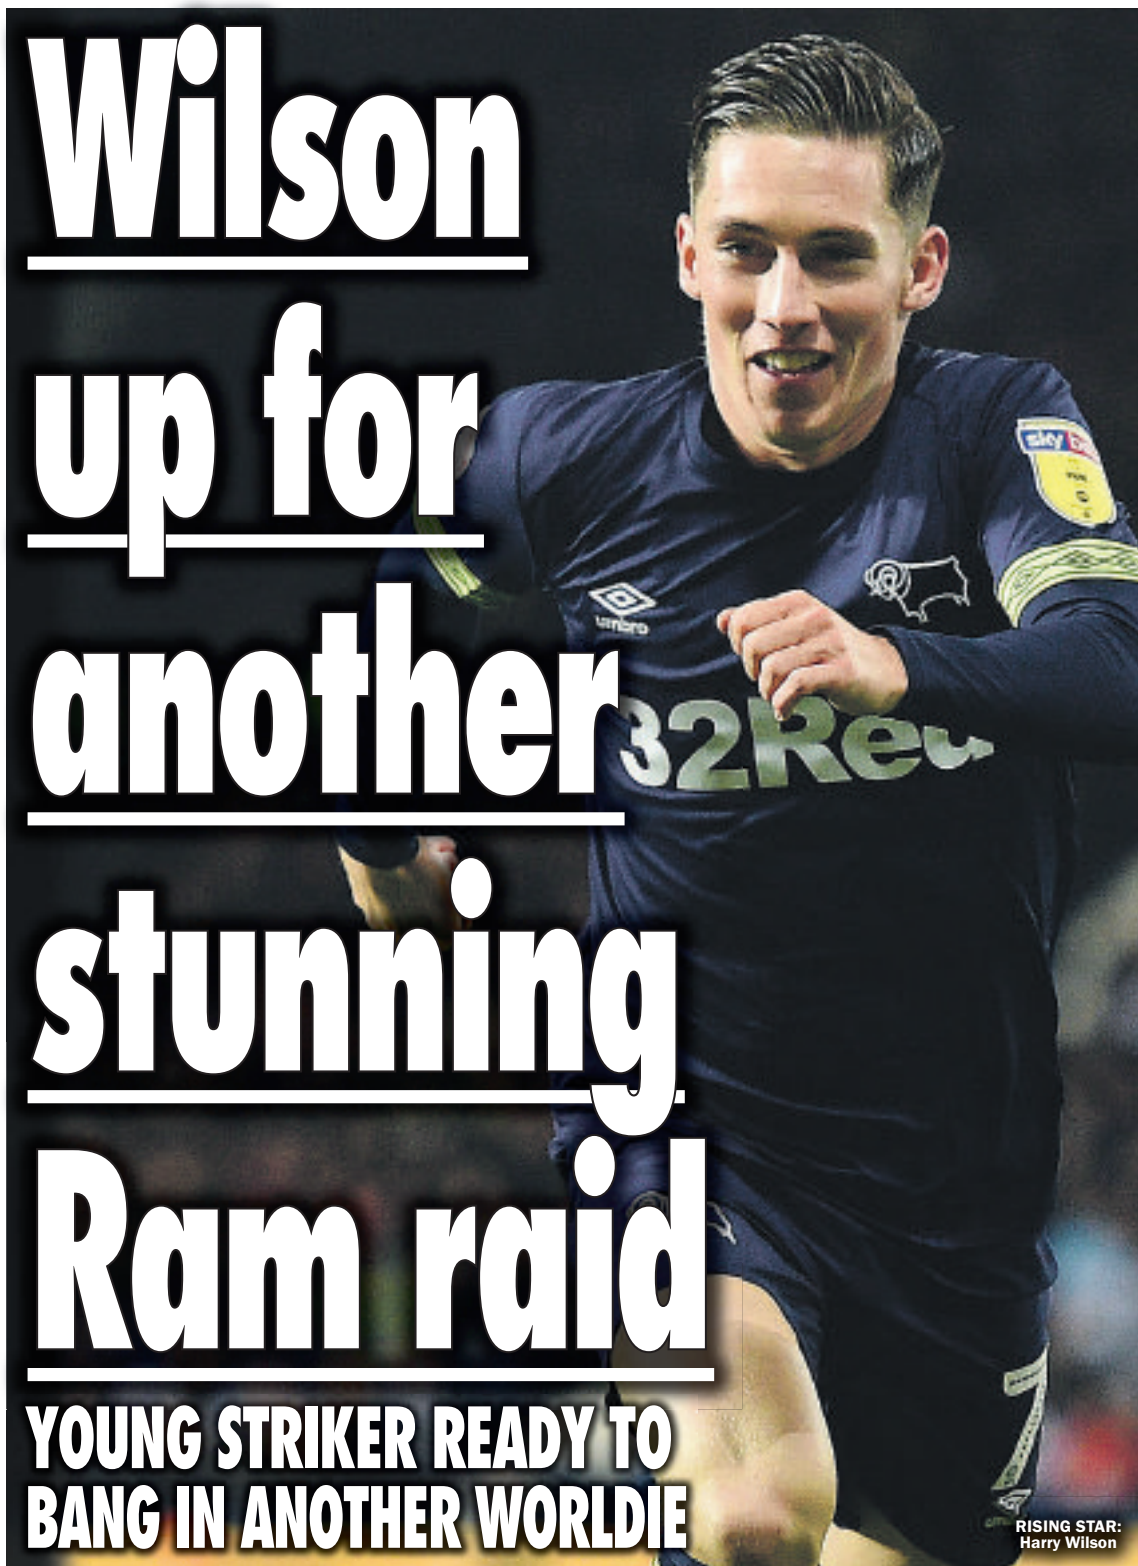

Wilson is just hoping he'll carry on scoring. He said: "I do practice after training to get that technique."

"A couple of my mates sent me a tweet comparing my Man United free-kick to Cristiano Ronaldo's."

"To be compared to a player like him is brilliant, but he's done it time after time."

"It's up to me to do it again and again."

NAP: James Doyle

Doro can have rivals all tied up in Notts

WINNING POST

WITH BEN MORGAN

THE booking of James Doyle aboard the Ian Williams trained DR DORO (NAP) suggests a bold run is expected.

The drop down to five furlongs seems to have reignited this horse and with a little bit of TLC from shrewd trainer, Williams, he has racked up three wins in four. The only defeat came when he tried six furlongs which perhaps attempted as he stays on well in his races.

It is a long straight at Nottingham and it can feel a long way home so the fact he does stay five so well could be to his advantage. He loves firm ground and as it stands it should be good to firm come the off which might hinder a few. It's a wide open race but Dr Doro could be the perfect remedy to autumnal blues.

Half an hour earlier I can see no reason why SHE CAN BOOGIE won't put up another bold showing. Tom Dascombe's filly has been a revelation this season, rarely running a bad race.

Fitness

All ground comes alike to her and she seems to be a real five furlong specialist. Moyassar is the class horse of the race but giving weight away to a good, genuine filly like the selection won't be easy.

LUCKY DEAL has had a short break after a poor run in the Melrose at York. Prior to that he had looked a typical Johnston staying type, rarely out of the first three.

Fitness shouldn't be worry although he is returning off a break and I don't think Johnston would send back out into action at this time of the season if he didn't think he was capable of winning off his current mark. The competition looks weak and he could have too much for them.

It could be a familiar story about 35 minutes later as JUST WAIT looks to have outstanding claims of providing Johnston with another winner. He learnt plenty from his debut run where he finished midfield, as then he went on a won at Hamilton on his second start on soft ground.

He has to prove he handles a firmer surface but he should. Franny Norton is jocked up again and although he may be a favourite he could be your Lucky 15 banker.

MY CITY MUST GET BETTER

Guardiola not happy with table-toppers

PEP Guardiola is still not happy with his Manchester City side — despite them topping the table again.

The champions toughed out an important win against Tottenham on Monday night to go back above Liverpool in the title race.

The Spaniard is happy with how the season has started — but not that happy! He wants a lot more from his squad as the games start to come thick and fast.

Guardiola said: "We have a lot of things to improve if we are to be a real contender."

BY ANDY MILLOM

"We are a very good side. I am not saying the opposite, but when you are going to play at important stages in the last third of the Premier League and especially in Europe, we demand another issue or points that we don't have."

"That is why hopefully we can talk about that and train for that and hopefully in the future we can improve that."

Guardiola did accept that the bad pitch at Wembley didn't help his players against the Londoners.

He added: "To play a game on that pitch is not easy and that's why there were many mistakes that normally should not happen."

"But even knowing that I had

the feeling we have a lot of things to improve."

"When we played at the Emirates, at Anfield and Wembley it is normal you are going to concede chances with the opposition that is so tough and so good."

"It is important to get clean sheets, but it was a little bit exceptional, it was only due to the grass that they didn't score."

"If the grass was better I am pretty sure Lamela, with his quality and left foot, would score."

City are being backed from one unexpected source — Man United legend Gary Neville.

He thinks the Blues will not only win this title but could run up the kind of sequence he was part of under Sir Alex Ferguson.

Blinked

Neville believes Guardiola has stepped things up from last year.

He said: "When Pep Guardiola came to the Premier League, you think about what he was trying to achieve in that first season and it didn't work out for him, but he never blinked."

"He's ramping it up, he's got six no.10s out on the pitch, they're all diminutive, you think they'll get done on set-pieces or a cross."

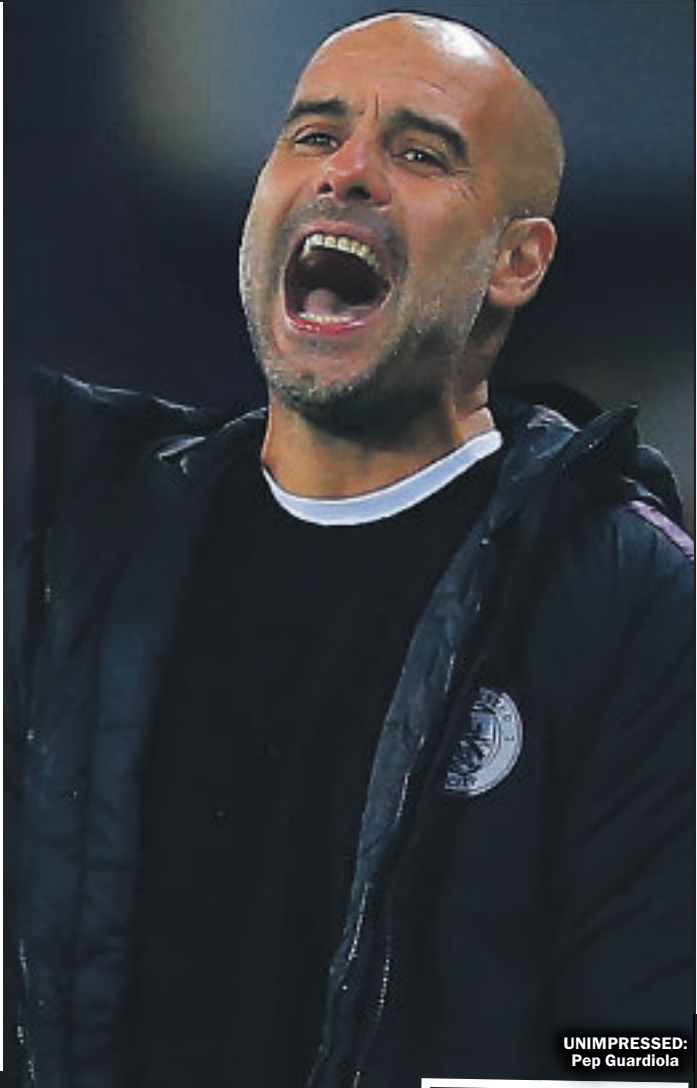

"What the coach is doing with this team, how he's made them played and how certain players are playing within this system, we have a special, special coach and manager in this league."

"The opposition don't even get a chance. When it comes into the box, either Kompany or Stones or Laporte head it away. At Barcelona, Pique used to be a magnet to balls into the box. It's phenomenal to watch them on the pitch."

"How long he stays for I don't know but it's a golden period for Man City, and for us watching him and what he's doing."
